The 6th Annual

“CHIP-IN” FOR LISD

Golf Tournament

The Education Foundation for Lockhart ISD was founded in 2014 with the mission of promoting community engagement in support of quality education, inspired learning, and innovative opportunities for all LISD students. Through our fundraising efforts, we have been able to provide more than **half a million dollars** in innovative teaching grants throughout the district. In addition, we recognize excellence in both academic achievement and teaching within LISD. Thank you for your consultation, we look forward to hearing from you!
